ENCLOSURE No. 1.

From H. E. CHURCH, Esq., Traffic Manager, to R. B. ELWIN, Esq., Agent and Manager of the Madras Railway, dated Madras, 29th January 1877, G. No. 91—252-2,658.

Rice consigned to Government.

WITH reference to the accompanying copy of a letter to my address from the Sheristadar of Guriattum, I beg to inform you that on the 25th instant there were no less than 5,000 bags of rice consigned to the Sheristadar lying at the Guriattum station waiting removal, thereby causing very great inconvenience in the working of the traffic at that station.

2. I have informed the Sheristadar that the grain can only remain at the station at his risk of loss and damage, but I would ask if arrangements cannot be made to equalise the despatches from Madras by Railway, and those by carts from Guriattum station to the stations where grain is required.

3. The obligations of the Railway Company are complete when the grain has been unloaded from the waggons at the station of destination.

—

From C. ANANDA ROW, Sheristadar of Guriattum Taluq, to H. E. CHURCH, Esq., Traffic Manager of the Madras Railway, dated Guriattum, 20th January 1877, No. 3.

I BEG to inform you that 100 bags of rice from Arbuthnot and Co., consigned to me for Mr. Gribble, are received at Guriattum rail station this day. When my Gumastah go with the carts to take charge of bags the Station Master will not give them at different times, but he wants not only to remove the whole lot at one and the same time, he also wants to remove them immediately, *i.e.*, as soon as they are received at the station. It will not be possible to any one to do as he wants, because it is quite difficult to get so many carts as to carry the whole lot of so many bags as this at one time. Still daily fifty or sixty carts are loaded to Madnapally with rice bags.

Therefore I beg to request you will give proper instructions to the Station Master of Guriattum on the subject and to inform me and oblige.
