GOVERNMENT OF MADRAS
FINANCIAL DEPARTMENT.

24th January 1877, No. 260.
Municipal—Budgets.

Read the following papers :—
No. 317. From W. McQUHAE, Esq., President of the Municipal Commissions, Madras, to the Chief Secretary to Government, dated 3rd January 1877, No. 1.

I have the honor to submit the Budget Statements of the Dindigul Municipality for 1877-78, as passed by the Commissioners with a Regular Estimate of the Receipts and Charges for 1876-77 prefixed to it in the form prescribed in the G.O., dated the 27th November 1876, No. 2126, Financial Department, as also an explanatory memorandum affording the necessary information on such of the entries in the Budget as need explanation.

2. The opening balance for 1877-78 has been arrived at by taking the difference between the total of actual receipts and expenditure for the first seven months of the current year, together with the probables of the remaining five, including the actual closing balance of 1875-76.

From Surgeon-Major H. KING, A.M.D., Acting Sanitary Commissioner for Madras, to the Chief Secretary to Government, dated 6th December 1876, No. 13.

I have the honor to state that the provision for Sanitary purposes, proposed in the Budget Estimate of the Dindigul Municipality for 1877-78, is satisfactory, amounting to 30.7 per cent. of income, exclusive of cost of vaccination. Only one Vaccinator on Rupees 10 is provided for, although the Rule 6 of the Department requires a first-class Vaccinator on a minimum pay of Rupees 15.

No. 319.

ORDER THEREON, 24th January 1877, No. 260.

2. The estimates have been carefully and correctly prepared, and the explanatory notes are satisfactory.

3. The latrines, for the construction of three of which Rupees 183 have been provided, appear to be of an inexpensive character, but it is observed that the Vice-President reports that the plan was approved by the Acting Sanitary Commissioner when he inspected the Municipality.

4. In the Order reviewing the Budget for the current year the Government remarked on the meagre provision for Education. In the present Budget the amount much as they are likely to be called on to pay. The Vice-President reports that it is as school proposed by the Deputy Inspector, and have invariably paid claims for Results Grants as soon as presented. Under this explanation the provision is passed.

5. As pointed out by the Acting Sanitary Commissioner the provision for Vaccination must be raised by Rupees 60 to allow of compliance with the new Vaccination Rules. This can probably be easily effected by adjustment of some other allotments.

With the above remarks the Budget is passed.
