*Proceedings of the Madras Government, Revenue Department,
17th February 1877.*

No. 581. Read the following endorsement of the Chief Secretary to Government, dated Fort St. George, 20th November 1876, No. 1,891:—

Read the following letter from H. G. TURNER, Esq., C.S., Officiating Postmaster-General, Madras, to the Hon. W. HUDLESTON, Chief Secretary to Government, Public, &c. Departments, Fort St. George, dated 14th November 1876, No. 7,437.

I HAVE the honor to point out to you that very great difficulty is experienced in getting maps of districts. It is believed that these maps are kept in the office of the Surveyor-General in Calcutta and, no doubt, they can be procured by reference to him. But this entails a great delay, and the distance often indisposes officers to make a reference for them.

2. I speak not only in behalf of the Postal Department, but also in that of all other branches of the administration that make up the constitution of a district—Revenue, Judicial, Police, Educational, Public Works, Postal; all have constant use for maps, and, as I say, these are not readily to be procured in the district.

3. I would therefore take the liberty to suggest that each District Treasury be supplied with a number of maps of the district, and that they be advertised for sale in the District Gazette.

TRANSFERRED to the Revenue Department for disposal.

(Signed) W. HUDLESTON,
Chief Secretary.

No. 582. ORDER THEREON, 17th February 1877, No. 728.

Miscellaneous.

THE Superintendent of Revenue Survey will report how far it will be found practicable to carry out the suggestion of the Postmaster-General. It will, no doubt, be very convenient if district maps be made available to the public and the officers of Government who may have need for them.
