*Proceedings of the Madras Government, Revenue Department,*
*17th March* 1869.

No. 442. Read the following Proceedings of the Board of Revenue, dated 19th February 1869, No. 1,125 :—

Read the following letter from the Collector of the Godavery District, to the Acting Secretary to the Board of Revenue, dated Bandarlanka, Amalapur Taluk, 19th January 1869, No. 7.

1. I have the honor to forward a plan and estimate for constructing a road from Viravasaram to Akid *via* Bhimaveram, eighteen miles in length, and to request that sanction may be obtained for the same.

2. The Superintending Engineer states that he has directed the Executive Engineer to commence the work at once, as in the current year's Local Fund Budget (Item No. 15) a sum of Rupees 16,000 is allotted for this work, but probably not more than Rupees 5,000 can be expended.

ENCLOSURE No. 1.—Survey.

ENCLOSURE No. 2.—Estimate.

ENCLOSURE No. 3.—Specification Report.

THE estimate, amounting to Rupees 34,950, received with the foregoing letter, for constructing a road from Viravasaram to Akid, *via* Bhimaveram, is submitted for the sanction of Government.

2. The estimate comprises the following items :—

| | | | Rs. |
|---|---|---|---|
| Earthwork | ... | ... | 11,680 |
| Bridges, &c. | ... | ... | 22,340 |
| Compensation for land | | ... | 930 |
| | | | 34,950 |

3. The Collector is requested to ascertain and state, whether any, and, if so, what portion of the cost of bridges, &c., is to be borne from Imperial Funds, agreeably to the ruling of Government, in paragraph 12 of their Order, dated 11th November 1868, No. 2,831.

4. As the Collector states that only Rupees 5,000, out of the allotment of Rupees 16,000, in the current year's Budget, is likely to be spent before the close of the year, the Board resolve to transfer to the head "Reserve" the difference between those two sums, namely Rupees 11,000.
