From

Secretary to Sir Richard Temple

To

J. A. Garston Esquire
Secretary to Government
Madras

Dated Bellary 14th February 1877

Sir,

Sir Richard Temple desires me to invite your attention to the circumstance that copies of the Minutes and Memoranda containing his suggestions and remarks regarding the Bellary district did not reach the Collector of Bellary until he received the last Gazette of India, three weeks after those papers had been submitted to you.

2. Sir Richard Temple has been careful to inform district officers whom he has met that

that his remarks and suggestions (oral
and otherwise) must not be regarded as
orders or instructions, unless they are
adopted by the Government of Madras.
At the same time he has communicated
his views and the result of his experience
unreservedly to the senior European officers
of the districts he has visited.

3. I am now to suggest that if His Grace
the Governor in Council were pleased
to approve, copies of the Minutes and
Memoranda might be sent to the officers
concerned as soon as they are printed. Sir Richard Temple
believes that it would be more satisfactory
to the officers themselves thus to receive
copies at once, instead of waiting three
weeks till they appear in the Gazette of
India. If the suggested plan does not
recommend itself to the Government of
Madras

Madras, then Sir Richard Temple
would be prepared, ~~if His Grace~~
~~in Council should so desire,~~ if His
Grace in Council should so desire,
himself to communicate to the officers
concerned copies of the remarks or sug-
gestions he may record on these operations.
