GOVERNMENT OF MADRAS.
FINANCIAL DEPARTMENT.

6th February 1877, No. 419.

Budget Estimate.

Read the following paper :—

No. 104. *From R. J. MELVILLE, Esq., Collector and Agent to the Governor in Vizagapatam, to the Chief Secretary to Government, dated 23rd January 1877, No. 97.*

I have the honor to submit, herewith, for the sanction of Government, the Petty Construction and Repairs Budget Estimate for the year 1877-78 for the Agency Tracts of this District.

2. NEW WORKS.—A sum of Rupees 10,000 was sanctioned in G.O., dated 19th February 1876, No. 349, for New Works to be executed this year in the Special Assistant Agent's Division. But as a sum of Rupees 5,580 spent in 1875-76 had to be debited to the above grant under G.O., dated 22nd August 1876, No. 1513, the actual amount available for expenditure during the current year was only Rupees 4,420. The Special Assistant Agent promises to spend the whole amount on the following works within the close of the official year :—

High Road No. 1, Section II.—Koraput to Nowrangapore.

Branch No. 2.—Boriguma to Kotapad.

High Road No. 2, Section II.—Jeypore to Kullar.

Nothing can be spent on the road from Kundali to Nandapore owing to want of funds, and no provision is made for it in the present Budget as more important works have to be provided for.

A sum of Rupees 7,100 is now provided for the construction of the following roads :—

Special Assistant Agent's Division.

High Road No. 1.—Portion from Nowrangapore to Raighur (Section III).

„ „ „ 2.—Portion from Kullar to Malkanagiri.

Senior Assistant Agent's Division.

Branch Road from Jeypore to Boriguma.

Road from Rayaghada to Singipore.

3. Out of the allotment of Rupees 3,275, sanctioned for repairs in the current year, a sum of Rupees 2,950 was spent by the Special Assistant Agent up to the end of December last, and the balance will be utilised during the remaining portion of the official year. Rupees 2,650 are now provided for repairs in his Division. It will be observed from the sanctioned Budget that no amount was assigned for repairing roads or clearing jungles in the Hill Tracts of the Principal and the Senior Assistant Agent's Divisions. As it is very desirable that the roads in these Divisions should be kept in good order, I have provided Rupees 775 for the Principal Assistant Agent's Division, and Rupees 2,900 for that of the Senior Assistant Agent,

4. A map of the district exhibiting the principal roads in Jeypore is herein enclosed.

No. 105. ORDER THIRTEEN, 6th February 1877, No. 419.

Notwithstanding the instructions contained in G.O., dated the 19th February 1876, No. 349, paragraph 5, requiring that the Annual Budget Estimate for "Petty Construction and Repairs" in the Hill Tracts of Vizagapatam should be submitted "not later than the 1st December of each year," the estimate for 1877-78 was not received in the Government Office until the 29th January 1877. It has, therefore, again reached Government after the several allotments under Provincial Services have been determined upon.

2. The estimate provides for—

New Works—High Road No. 1.

	RS.
Nowrangapoor to Raighur, 63 miles	2,000
Kullar to Malkangiri, 52 miles	4,000

against the grant of Rupees 10,000 in 1876-77, and the expenditure in 1875-76 of Rupees 6,146.

3. The Agent has explained the need for the larger provision in 1877-78. The estimate is accordingly passed, and the amount included in the Provincial Services Budget "Miscellaneous—Petty Construction and Repairs."
