No 159 Read the following Proceedings of the Board of Revenue, dated 22nd December 1876, Miscellaneous No 11,362 —

Read Proceedings of the Madras Government, Revenue Department, dated 20th instant, No 2,111

~~Abstract~~ Recording Board's Proceedings regarding submission of lists of sanctions for each famine district, &c, and stating that the maps to be sent by Collectors with their reports should be on a scale of 4 miles to an inch, and not 16 miles to a mile as stated in paragraph 3

MAPS on a scale of 16 miles to the inch were prepared and issued under express orders from His Grace the Governor to the Board's Third Member. The scale is undoubtedly too small, and has been complained of by Collectors. The Board have now arranged with the Survey Office for the preparation of outline maps on the scale of 4 miles to the inch, and these will be ready and distributed to Collectors of distressed districts by the 26th instant.

2 The Board observe that the error whereby 16 inches to the mile was written for 16 miles to the inch was corrected by Official Memorandum on the 13th instant.
