Proceedings of the Madras Government, Revenue Department, 19th March 1869.

No. 518. Read the following Proceedings of the Board of Revenue, dated 13th March 1869 :—

Read the following letter from the Acting Superintendent of Stamps, to the Acting Secretary to the Board of Revenue, dated Madras, 8th March 1869, No. 495.

1. With reference to the Government Order, Revenue Department, dated 8th February 1869, No. 334, I beg to forward for submission to the Board and for transmission, with their approval, to Government, copy of a Telegram received from the Director General of Post Offices, directing me to request the Local Government to suspend the despatch of my Indent for Half Anna Envelopes, and intimating that application has been made to the Supreme Government for a new description of those envelopes.

2. The Indent, I believe, was despatched last month with a copy of the Proceedings of Government above referred to, in which is mentioned the suggestion of the Director General, before made, that the half anna envelopes should be made of a more substantial material. Probably, if the Director General were aware of this, he might consider it sufficient, under the circumstances, if the Right Honorable the Secretary of State were now specifically requested, in complying with the Indent, to have this suggestion attended to, and the envelopes supplied of such description as may be finally sanctioned by His Grace after the receipt of any communication that may be made by the Supreme Government.

3. The quantity of half anna envelopes remaining in store is reduced to 60 Reams.

4. A copy of the Proceedings of Government alluded to and of this letter will be forwarded to the Director General.

Submitted to Government, with reference to G. O., 8th February 1869, No. 334.

2. The Board think it desirable that the Secretary of State should be informed that a change in the half anna envelopes is in contemplation, and that it is desirable that the new description should be sent out in supplying the Supplemental Indent which has been sent to him from Madras.

3. With reference to paragraph 2 of G. O., dated 8th February 1869, No. 334, the Board beg to state that they have no concern with Postage Stamps, the Superintendent makes his returns to, and receives his instructions from, the Director General of Post Offices.

4. The Board exercise no control over the Superintendent of Stamps in this branch of his duties.

Telegram from the Director General of Post Offices, Calcutta, to the Superintendent of Stamps, Madras, dated 6th March 1869.

Request Local Government to suspend despatch of your indent for two hundred reams of half anna envelopes. Application has been made to Supreme Government for new description of half anna envelopes. More by post.
