*Proceedings of the Madras Government, Revenue Department,
3rd June 1870.*

No. 33. Read the following letter from W. ROBINSON, Esq., C.S.I., Acting First Member of the Board of Revenue, in charge of the Inam Department, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated 31st March 1870, No. 14 :—

With reference to the Order of Government, dated 18th January 1870, No. 103, I have the honour to submit a Draft Bill, with a Memorandum of the Objects and Reasons, for exempting Title Deeds of every description issued, or that may hereafter be issued, by the Inam Commissioner from compulsory registration under Act XX. of 1866.

2. Mr. Mayne and my colleagues in the Board, to whom I have submitted the draft, approve of it.

No. 34. ORDER THEREON, 3rd June 1870, No. 809.

Land Revenue.

In his letter, dated 13th December 1869, No. 6, the Inam Commissioner brought to notice that though Act XXVII. of 1868 was intended, among other objects, to exempt Inam Title Deeds from compulsory registration, the closing words of Section 3 of that enactment had had the effect of limiting the exemption to a small per-centage of the Deeds issued by [his department, inasmuch as a very small proportion of the Inams in the Madras Presidency were granted "for special services".

2. He proceeded to explain that consequently all the documents issued were null and void under Section 49 of the Registration Act, and added that the registration of the 40,000 documents still to be issued would involve immense labour on the Registration Department, even if the Registrars did not hesitate to accept them as not being drawn up in accordance with Sections 20 and 21 of the Registration Act.

3. He also pointed out that even supposing the Deeds to have been exempted from registration by Act XXVII. of 1868, the procedure prescribed in Section 3 in regard to copies of the Title Deeds being sent to the District Registrar had not been followed so far as the Deeds already issued were concerned, and could not be observed in regard to those about to be issued without incurring considerable expense, and causing much delay in the preparation of the Deeds; and, in conclusion, he suggested that a Draft Act should be submitted for sanction of the Legislature, exempting all Title Deeds signed by the Inam Commissioner from registration, and, in the spirit of Section 2 of Act XXVII. of 1868, providing that the District Registers of Inams be open to the inspection of any person applying to inspect the same.

*Proceedings of the Madras Government, Revenue Department,
3rd June 1870.*

4. Mr. Robinson's communication was referred to the Advocate-General in the G. O. under date 15th December 1869, with copies of the correspondence noted in the margin, from which it is to be observed that this Government, when addressing the Government of India on the subject, specially requested that *all* Inam Title Deeds might be exempted from registration in the exempting enactment, but Mr. Mayne, who was then acting for the Advocate-General, concurred with Mr. Robinson in considering that this had not been done.

5. Mr. Robinson was accordingly requested in the G. O. under date 18th January 1870, No. 103, to prepare a draft of the necessary enactment in communication with the Advocate-General, and this he now submits with his letter above recorded.

6. The Right Honourable the Governor in Council considers that the Draft Bill contains the necessary provisions, and resolves to transfer it and the Statement of Objects and Reasons, with a few verbal amendments, to the Legislative Department, in view to a communication being addressed to the Government of India on the subject, as it appears to the Government that the Act should be passed by the Imperial Legislature.

very small proportion of the

were granted "for special services".

2. He proceeded to
explain that, consequently,
all the documents issued
were null and void under
Sec: 49 of the Registration Act,
and added that the registra-
tion of the 40,000 documents
still to be issued would
involve immense labor on
the part of the Registrars, even
if the Registrars did not
hesitate to accept them, as
not being drawn up in
accordance with Sec: 20 & 21
of the Registration Act.

3. He also pointed out
that even supposing the deeds
to have been exempted from
Registration by Act XXVII of
1860, the procedure pre-
scribed in section 3 in
regard to copies of the title
deeds

Deeds being sent to the District
Registry, had not been followed,
so far as the deeds already
issued were concerned, and
could not be observed in regard
to those about to be issued,
without incurring con-
siderable expense, and causing
much delay in the prepa-
ration of the deeds; and, in
conclusion, he suggested
that a draft Act should
be submitted for sanction
of the Legislature, exempting
all Title Deeds signed by the
Inam Commr from registration,
and, in the spirit of Sec: 2
of Act XXVII of 1860, providing
that the District Registry
Inams be open to the in-
spection of any person ap-
plying to inspect the same.

in the G.O. under date 15th Dec. 1906, with copies of the correspondence noted in the margin from which it is to be observed that this Govt. when addressing the Govt. of India in the subject specially requested that all Inam title deeds might be exempted from Registration in the exempting enactment, but Mr. Mayne who was then acting for the Advocate Genl, concurred with Mr. Robinson in considering that this had not been done.

5. Mr. Robinson was accordingly requested in the G.O. under date 10th Jan. 1907, No. 103 to prepare a draft of the necessary enactment in communication with the Advocate Genl, and this he now submits with his letter above recorded.
