*Proceedings of the Madras Government, Revenue Department,
23rd March 1869.*

No. 605. Read the following Proceedings of the Board of Revenue, dated 18th February 1869, No. 1,105:—

Read the following letter from the Director of Revenue Settlement, to the Acting Secretary to the Board of Revenue, dated Madras, 16th January 1869, No. 66-3.

Referring to paragraph 6 of the Order of Government, dated 14th instant, No. 97, I have the honor to state that I have communicated with the Superintendent of Revenue Survey on the subject, and we both agree in the opinion that the official year, may, with advantage, be substituted for the calendar year, as the period for which the Survey and Settlement Reports should, in future, be prepared. With the Board's approval, therefore, the submission of the next Report will be postponed till the current official year has closed, when the necessary particulars of work and expenditure for the first three months of 1868, can be furnished, in addition to the returns for the twelve months forming the actual official year. The short report required for insertion in the General Administration Report may still be sent in to Government as at present. It will, however, be hereafter an abstract of the detailed report, instead of representing operations for a different period.

SUBMITTED for the information of Government, with reference to their Proceedings, dated 14th January 1869, No. 97.

2. The Board see no objection to the arrangement proposed by Mr. Master.
