*Proceedings of the Madras Government, Revenue Department,
24th February 1877.*

No. 781. Read the following Proceedings of the Board of Revenue, dated 15th February 1877, No. 626:—

Read the following letter from J. THOMSON, Esq., Acting Head Assistant Collector, to J. H. GARSTIN, Esq., Collector of South Arcot, dated Villapuram, 19th December 1876, No. 686.

In reply to your foot-note, No. 1,014, of the 28th September last, appended to a copy of the Proceedings of the Madras Government, dated 2nd idem, No. 1,215, and to your Memorandum, No. 1,317, of the 12th instant, I have the honor to state, on the report of the Tahsildar only now received, that the Taliari maniem of Anantapuram has been uncultivable since 1854, the date of its appropriation; that it was then in the water-spread and was assigned although so situated as there was no other land available; that in 1874, on the occasion of the Tahsildar being in the village and on the complaint to him of the Taliaries, he proposed in lieu some Nandavanam land, which was later resumed and planted up by its owners; and I thereon in letter, No. 346, of the 18th July last, recommended the resumption of the maniem lands and a ready-money payment.

2. Till 1874 no complaint seems to have been made by the Taliaries, or if made nothing was done on it. Why no claim was advanced until recently it is impossible to state. In the assignment of 1854 it may have been supposed that the land might be occasionally cultivated, or any land may have been supposed good enough for a Taliari. If the Taliari of those days was long-suffering, the one of to-day, if I may speak from my own experience, has always a complaint to make regarding his maniem, either that it is not known to him or useless, or usurped by the village Monigar. The only reason I can allege for it being necessary that this proposed ready-money payment should be made is that the assumed value of this useless Inam is Rupees 22-1-10, a large sum for a Taliari to not receive when entitled to it.
