*Proceedings of the Madras Government, Revenue Department,
24th March 1869.*

No 628. Read the following Proceedings of the Board of Revenue, dated 2nd March 1869, No. 1,364:—

Read the following letter from the Acting Collector of South Canara, to the Acting Secretary to the Board of Revenue, dated Mangalore, 8th February 1869, No. 160.

1. The Commissioners of the Rate School at Manjeshwar, in Kasargode Talook,

* Plan accompanies. having applied to me to make over to them a small site* for the building of a

school, I have the honor to request that the Board of Revenue will be pleased to obtain the sanction of Government for making over the same.

2. The site required is situated at Manjeshwar, a small town on the coast, twelve miles south of Mangalore, and has been selected by the Commissioners as the best site available for the purpose, which is centrally situated with respect to the villages to which the Education Act has been extended, and in proximity to other public buildings in the town. The piece of land is 625 square feet. At the request of the Commissioners I would recommend that it may be made over to them free of tax so long as the building raised is used as a school.

3. I take this opportunity of requesting to be informed whether it is necessary to obtain sanction of the Board and Government to make over, free of tax, any ground or site, beyond Municipal limits, for public building and other purposes similar to the one now under reference.

ENCLOSURE No. 1.—Plan.

SUBMITTED for the favorable consideration of Government.

2. With reference to paragraph 3 the Acting Collector will be informed that the sanction of higher authority is indispensable to the grant of land, tax free, for any purpose like that now under consideration.

No. 629. ORDER THEREON, 24th March 1869, No. 821.
