Proceedings of the Madras Government, Revenue Department,
6th June 1870.

No. 65. Read the following letter from the Officiating Conservator of Forests, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated camp at Tellicherry, 27th April 1870, No. 2,083:—

With reference to the Government Order, No. 2,796, of the 15th of October 1869, I have the honour to forward a letter* from Captain Gosling, the officer

* No. 114 of 28th March. in charge of the Annamallay Range, by which you will perceive that, after a trial of six months, he is satisfied with the re-distribution of salaries and appointments in his range, and asks for sanction for the same as a permanent measure. I visited this range towards the end of last month, and examined, personally, the working of the establishment as now proposed, and I believe it to be better adapted to present requirements than the one it has superseded.

2. The time has arrived for teak-planting in this range, and I am anxious to commence a plantation this year. An extra Overseer will be required for this work; this will, however, form the subject of a separate communication to be submitted shortly.
