*Proceedings of the Madras Government, Revenue Department,
18th December 1876.*

No. 416. Read the following Proceedings of the Board of Revenue, dated 24th November 1876, No. 2,946 :—

Read the following letter from R. K. PUCKLE, Esq., Director of Revenue Settlement, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Madras, 27th October 1876, No. 3,746-108.

With reference to Board's Proceedings, No. 2,578, dated 14th October 1876, arranging for the settlement of the boundary dispute between Mysore and the Punganur Zemindari of North Arcot, I have the honor to forward an application (dated 11th October 1876, No. 615-181) from the Assistant Director for orders regarding the disposal of a second dispute on the Mysore frontier, and to request that the officers to be appointed as suggested by the Board in the above-mentioned Proceedings may be instructed to dispose of all disputes between Mysore and North Arcot at one and the same time.

ENCLOSURE No. 1.

From G. P. CLERK, Esq., Assistant Director of Revenue Settlement, North Arcot, to R. K. PUCKLE, Esq., Director of Revenue Settlement, dated Lalleri, 11th October 1876, No. 615-181.

I HAVE the honor to inform you that, while demarcating the boundary between the Mysore Province and the Kangundi Zemindari of this district, eight disputes in various places have arisen, which have been referred to the Special Agent appointed for the purpose by the Madras and Mysore Governments.

2. Two sketches illustrating the nature of the disputes, together with the vernacular statements given by either party as to the particulars of their claims, are herewith forwarded as specified in the enclosed list.

3. Copies of these statements, &c., have been furnished to the Peishcar deputed by the Deputy Commissioner of Coar District to watch the interests of the Mysore Government during demarcation operations for submission to the Deputy Commissioner.

4. I have the honor to request that, as the Superintendent Revenue Survey is desirous of obtaining a sketch of the line in question as soon as possible, you will be good enough to address Government on the subject at an early date, with a view of the Mysore Government being requested to appoint an officer to represent their interests in the disposal of these cases.

SUBMITTED to Government in continuation of Board's Proceedings, dated 15th ultimo, No. 2,578.

2. The Collector of North Arcot should, in communication with the Settlement Department now engaged in demarcating the boundary between Mysore and Kangundi submit a list of all pending disputes, and the Board suggest that the Mysore Government should be requested to furnish a statement of claims on behalf of that Province in view to the entire boundary between North Arcot and Mysore being settled by the Commissioners whose appointment was recommended in the Proceedings quoted above.
