*Proceedings of the Madras Government, Revenue Department,
27th February 1877.*

No. 844. Read the following Proceedings of the Board of Revenue, dated 15th February 1877, No. 625:—

Read the following letter from J. R. DANIEL, Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 18th December 1876, No. 348:—

In paragraph 3 of the Board's Proceedings, dated 8th December 1876, No. 3,107, the Board express their opinion that Naropantula Rama Rao should be dismissed the service for his attempted fraud.

2. I have the honor to point out that the Board are under a misconception. The lands were submerged, the cause was a dam improperly erected, but the damage sustained by the petitioner was the same as if the submersion was in consequence of work carried out by the Public Works Department; the inquiry was imperfectly made, but I hope the Board will not consider that the petitioner was guilty of fraud.

As the Collector is of opinion that N. Rama Rao is innocent of fraudulent intention in the matter they will not insist on his dismissal.

2. At the same time the Board observe that before seeking compensation from Government Rama Rao should have satisfied himself that it was owing to the act of their officers that his lands were submerged. The perfunctory manner in which the inquiry was conducted by the local authorities is most discreditable to them and should be severely noticed by the Collector.
