Famine Relief.

No. 878-A. Read the following Proceedings of the Board of Revenue, dated 23rd February 1877, No. 821 :—

Read the following letter from J. F. PRICE, Esq., Acting Collector of Cuddapah, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Royachoty, 14th February 1877, Extra No. 99 :—

I HAVE the honor to request that the Board will be good enough to permit me to expend Famine Funds upon clearing out the rubbish and filth in villages, the state of which in this division appears, from what I have seen, to be most disgusting.

2. The people will not do the work of their own accord, and I cannot, at such a time as the present, effectually put upon them the pressure of the criminal law.

3. I consider that a thorough cleansing of, at any rate, all decently sized villages should, as a sanitary measure in connection with the famine, be effected.

THE work is good and likely to improve the health of the country, but is of a kind likely to involve fraud and waste of money. If the Collector can devise sufficient precautions against these he may sanction estimates under the rules.
