Proceedings of the Madras Government, Revenue Department,
1st March 1877.

No. 43. Read the following Proceedings of the Board of Revenue, dated 19th February 1877, No. 687 :—

Read the following letter from F. R. H. SHARP, Esq., Acting Collector of Nellore, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated 18th December 1876, No. 3,840.

Referring to the Board's foot-note, Miscellaneous No. 9,101, dated 23rd October, on G.O., No. 1,427, dated 6th idem, I have the honor to submit the information required by Government.

2. New Taluq Cutcherries are being built at Atmakur, Rapur, Udayagiri and Kanigiri. Record racks must necessarily be provided for the magnificent upstair record-rooms attached to these buildings. In the estimates originally prepared for these new buildings, no provision had been made for the same.

3. As regards the Gudur Taluq Cutcherry, an old building, the record-room which was once in a very disorderly state is now converted into a Police lock-up, and separate new buildings were constructed under sanction conveyed in G.O., No. 2,539, dated 17th October 1874, but unfortunately provision for racks had not been made even in this case when framing the original estimates. Alterations of the doors already put and providing new windows, &c., have now become emergent, and hence the estimate has increased to 910 Rupees.

Enclosures Nos. 1 to 5.—Estimates.

Submitted to Government with reference to G.O., 6th October 1876, No. 1,427.
