Old Talook Cutcherry at Adony in Bellary District.—Order authorising the proposed repairs to it being proceeded with after the 1st April next, communicated to Revenue Board

*Proceedings of the Madras Government, Public Works Department,
31st March 1869.*

No. 796. Read the following Proceedings of the Board of Revenue, dated 11th March 1869 :—

Read the following letter from the Collector of Bellary, to the Acting Secretary to the Board of Revenue, dated Ramandroog, 27th February 1869, No. 35.

In the early part of this month I visited Adony, and whilst there inspected the Talook Cutcherry, a building which has been condemned by the Officers of the Department Public Works as irreparable. A new Office is about to be commenced, but as some time must elapse before it can be completed, I have the honour to request that I may be permitted to expend Rupees 150 on the repairs of the old building, so that it may be made water-tight to a certain extent before the rains set in. I directed the Tahsildar to look out for a house, which I proposed to rent as a Cutcherry till the new Office was completed, but he reports (translation of Urzi enclosed) that there is not one available. The place is almost a ruin, and I therefore beg that early orders may be issued. It is only proposed to patch up the present building so as to render it available for the present.

From the Tahsildar of Adony, to the Collector of Bellary, dated Adony, 20th February 1869.

1. I beg to acknowledge the receipt of your Order No. 10, of 17th instant, directing me to report whether the late Tahsildar's house in front of the old Cutcherry is suitable to hold Cutcherry in it ; if so, whether it will be rented, and for how much ; and also to report whether there is any suitable private building available for rent ; if so, for how much.

2. In reply I beg to state, that the late Tahsildar's house is not fit to be used as a Cutcherry, as there are several small apartments in it, and no sufficient light ; and there is no suitable private building available for the purpose ; the present Cutcherry is not convenient to hold office, especially during the rainy season : if 150 Rupees is sanctioned for repairing the present Cutcherry, I will have the repairs executed properly, so that the building may be useful until a new one is constructed.

(True Translation.)

(Signed) H. E. SULLIVAN.
Collector.

SUBMITTED to Government with the Board's recommendation that funds may be provided in the Department of Public Works to put the old Talook Cutcherry at Adony in temporary repair.

TRANSFERRED to Public Works Department, with the request that the necessary orders may be issued.
