*Proceedings of the Madras Government, Revenue Department,
3rd April 1869.*

No. 59. Read the following Proceedings of the Board of Revenue, dated 18th March 1869, No. 1,877 :—

Read the following letter from the Officiating Collector of Madura, to the Acting Secretary to the Board of Revenue, dated 9th March 1869, No. 82.

With reference to the enclosed copy of a letter from the Acting Sub-Collector, I have the honor to inform the Board that I have placed a further sum of Rupees 500 at his disposal for the purpose of deepening wells in the sub-division.

ENCLOSURE No. 1.

From the Acting Sub-Collector of Madura, to the Acting Collector of Madura, dated Dindigul, 6th March 1869, No. 61.

I HAVE the honor to request, with reference to the concluding portion of paragraph 1 of the Proceedings of the Board, dated 1st instant, that a further sum of Rupees 500 may be placed at my disposal, in the Dindigul Talook Treasury, for expenditure, where necessary, in deepening wells. I trust I may not be obliged to spend so much, and I shall take every precaution that what I do spend is spent economically; but I am just starting for a part of the sub-division (Ramagiri) where I know the wells are not good, and it will be a great assistance to me if I have a small sum of money in hand for discretionary expenditure in such cases of want of drinking water as I may see or hear of.

2. With regard to paragraph 2 of the Board's Proceedings under notice, I regret that I am not in a position to give any fuller information as to the tract of the country alluded to, than I have already furnished in my letters marginally noted;

No. 85, dated 14th February 1869.
" 39, " 9th " "

but if the Board will let me know on what points fuller information is required, I will furnish it

without delay. Meanwhile, many of the remarks in my letter, No. 60, of this day's date, may be held to apply to the tract in question.

THE Collector's proceeding is approved.

2. The further information which the Board required regarding the eight or nine Government villages, mentioned in paragraph 2 of Mr. Bliss's letter to the Acting Collector, dated 4th ultimo, was the result of the inspection he proposed making of this tract, preparatory to submitting definite proposals.

No. 60. ORDER THEREON, 3rd April 1869, No. 895.

Miscellaneous.

ORDERED to be recorded.
