2nd March 1877.

Famine Relief.

Board of Revenue, to J. H. GARSTIN, Esq., Additional Secretary to Government, Revenue Department, dated Madras, 26th February 1877, No. 357:—

THE undersigned is directed to forward to the Additional Secretary to Government, Revenue Department, the accompanying reply (in original) received from the Collector of Kurnool to Board's Proceedings, 13th December 1876, No. 3,169, regarding the condition of the Pattikonda Taluq, in continuation of Board's Official Memorandum, dated 15th February 1877, No. 295.

(By Order,)

Secretary.

No. 94.

ORDER THEREON, 2nd March 1877, No. 905.

Miscellaneous.

ORDERED that a copy of the Board's Proceedings be forwarded to the Government of India with the enclosures in original. The Government observe with grave displeasure that the Deputy Collector's letter and list of roads now forwarded are dated, respectively, January 5th, 1877, and December 15th, 1876. This extraordinary delay must be explained at once.

2. Moreover the roads appear to be estimated to cost over 7,000 Rs. a mile. The estimates are admittedly rough, but figures more nearly approximating to the real or probable cost should be substituted till regular estimates are submitted.

(True Extract.)

Additional Secretary to Government.
