*Proceedings of the Madras Government, Revenue Department,  
6th April 1869.*

---

No. 92. Read the following Proceedings of the Board of Revenue, dated 17th March 1869, No. 1,845:—

Read the following letter from the Collector of South Arcot, to the Acting Secretary to the Board of Revenue, dated Chinnempett, 18th February 1869, No. 36.

IN answer to the Board's call of the 12th instant, endorsed in the Proceedings of the Madras Government, Revenue Department, of the 6th idem, No. 320, I have the honor to state that the Condamoor river, over which it is proposed to construct a new bridge, is situated on the district road between Tindevanum and Pondicherry, *via* Kilianoor, and not on the Imperial line connecting those two places.

SUBMITTED to Government, with reference to Board's Proceedings, dated 12th February 1869, No. 952, and Government Order, dated 6th February 1869, No. 320.

2. The Board believe that the Condamoor stream, though called a river, is, to all intents and purposes, an irrigation-channel, on which considerable revenue depends; and if so, a contribution to the bridge may be payable from Imperial Funds, in accordance with Government Order, dated 11th November 1868, No. 2,831, paragraph 12.

3. The Collector will report on this point when replying to Board's Proceedings, dated 22nd December 1868, No. 9,028, paragraph 3.

No. 93. ORDER THEREON, 6th April 1869, No. 912.

Sir

I have the honor to acknowledge receipt of G. O. dated 2<sup>nd</sup> December 1868, directing me to request Mr. McPherson to be good enough to state specifically what complaints he had to make against Mr. McLoon.

2. On the 5<sup>th</sup> Inst. I wrote to Mr. McPherson (who lives about 2 miles from Coonoor), and told him that I had received orders from Government to make certain enquiries concerning his letter to Government of the 22<sup>nd</sup> Ullemo; and I requested him to be good enough to state specifically what complaints he had to make against Mr. McLoon. I further informed him that I had business at Coonoor on the 11<sup>th</sup> Inst. and if he desired to see me, he would find me at Mr. Pustles about noon.

3. In reply I received letter A in which he requested to be informed whether Mr. McLoon had or had not a right

4. I inquired I wrote to him on the 8<sup>th</sup> to say that I was not aware of the terms on which Mr McCulloch's services were engaged by the Government but that I should be glad to see him (Mr McCulloch) on the 11<sup>th</sup> and hear anything he had to say regarding his letters to Government.

5. He did not appear on the 11<sup>th</sup>, but sent letter B to Mr. Buckles saying that he had determined not to give himself more trouble than was absolutely necessary, and that if the Government could not see any cause for complaint, it would be presumptuous of him to urge it. But that if I especially desired to see him, he would be at the Courthouse Library (about 150 yards from Mr. Buckles) till 1 P.M.

6. I replied that I did not especially desire to see him or give him trouble if he had no complaint to make and did not wish to offer some explanation of his letters to Government.

He never made his appearance and I have heard nothing from him since.

7. From Mr. McCulloch's letters it is evident that he desired to bring to the notice of Government that

Mr McCulloch, a Public Servant, <sup>34</sup> had an interest in an Estate in the District in which he is employed.

With regard to this I cannot consistently with my duty refrain from saying that Mr McCulloch's interest in certain Estates here, is well known and has often been the subject of remark - so much so indeed, that I should have felt it my duty to report the matter, had I not thought that the Government were aware of it. And that Mr McCulloch's services, being of a peculiar kind, he was not bound by the rules of the Unconvenanted Service. I not having received any specific complaint from Mr. McCulloch, I have not of course called upon Mr McCulloch for his account of the matter.

I have the honor to be
