Proceedings of the Madras Government, Revenue Department, 7th April 1869.

No. 122. Read the following Memorandum from the Under Secretary to the Government of India, Public Works Department, (Revenue—Forests,) dated Fort William, 6th March 1869, No. 130F :—

In continuation of Public Works Department Circular, No. 5F, of 18th April 1868, the undersigned is directed to state that, in some instances, it has been observed that Circulars, with heavy enclosures, issued by the Government of India, and Reports distributed by local Governments, are re-printed in full in the monthly Proceedings of local Governments, when the necessity for re-printing them might have been obviated by binding up the spare copies as Appendices with the Proceedings.

2. The number of spare copies of Circulars and Reports, at present distributed from this Office, are noted in the margin; and the undersigned is directed to inquire to what extent it is desired that these numbers should be revised, in order that a sufficient number of spare copies may be supplied by the Government of India to local Governments, so as to save the expense of re-printing.
