Read the following letter :—

No. 790. From the Acting Commissary General, to the Secretary to Government, Military Department, Fort Saint George; dated Madras, 24th February 1869, No. 8823.

Adverting to the Order of Government No. 830, dated 28th February 1868, I have the honor to state that the house referred to in paragraph 6 of the letter from this office, recorded in the said Order, has been valued by the Engineer's Department at Rupees 1,065.

2. At this price, the Farm Committee agree to dispose of the house for the use of the butcher, and I request that the authority of Government may be accorded to the purchase.

3. Funds are available, under the head "Provisions for Europeans."

No. 791. *With report from the Controller of Military Accounts, 4th March* 1869, *B.*

No. 792. ORDER THEREON, 24th March 1869, No. 1168.

As the Controller of Military Accounts reports that the purchase, at a cost of Rupees (1065-0-0) one thousand and sixty-five, of the building held by the Government Farm Committee, near the slaughter house, will conduce to eventual economy by effecting a saving of the pay and pony allowance of one butcher, the expenditure is sanctioned.

2. If the house in question is the property of Government, however, a book adjustment of the transfer should suffice, instead of an actual cash payment by the Commissariat Department.
