Proceedings of the Madras Government, Revenue Department, 10th April 1869.

No. 236. Read the following letter from the Director of Revenue Settlement, Madras, to the Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 12th March 1869, No. 311-10:—

Letter from Secretary to Government of India, Financial Department, 8th February 1862, No. 1,241.

REFERRING to the Order of Government, dated 10th instant, No. 648, communicating copy of a letter from the Assistant Secretary to the Government of India, Financial Department, dated 27th ultimo, No. 1,296, and desiring to know whether there was a vacancy in the grade to which Mr. Symonds was appointed, I have the honor to state that the sanctioned strength of a Settlement Party, in European Officers, is one Deputy Director on Rupees 1,200 and two Assistant Directors on Rupees 425 and Rupees 325 per mensem, respectively. There is no grade of Assistant Director on the salary of Rupees 500 which has been allotted to Mr. Symonds; but the Government having, for certain reasons, determined that the revision of the assessment in Tinnevelly should be carried out under the orders of the Collector, it was considered unnecessary to place under him an Officer of the grade of Deputy Director, a Special Assistant being deemed sufficient. Mr. Symonds was accordingly appointed to this office, and, in consideration of his duties being more important and responsible than those of an ordinary Assistant Director working under a Deputy Director, the Government, in their Order of the 19th November 1868, No. 2,900, sanctioned the payment to him, out of the *vacant salary of the* Deputy Director whose post has not been filled up, of an allowance of Rupees 500 per mensem. As the Collector receives no extra remuneration for his settlement duties, the result of the above arrangement is a large saving to Government.

No. 237. ORDER THEREON, 10th April 1869, No. 983.

Miscellaneous.

ORDERED that the following letter be despatched to the Government of India.
