Proceedings of the Madras Government, Revenue Department, 30th June 1870.

No. 396.—Read the following Proceedings of the Board of Revenue, dated 28th April 1870, No. 2,810:—

Read the following letter from the Sub-Collector of Malabar, in charge, to the Acting Secretary to the Board of Revenue, dated Calicut, 6th April 1870, No. 127.

I HAVE the honour to submit, for the sanction of Government, a plan and estimate for Rupees 590, prepared by the Superintending Engineer, for making certain alterations and improvements in the Palghaut Talook Cutcherry building.

2. Formerly when Palghaut was a Military station the building was used as the Place of Arms, and there are in it a number of wooden musket-stands. These are a source of much inconvenience in a Cutcherry, and it is proposed to remove them to bring the Treasury from the detached building in which it now is to the main building, and to remove also the Tahsildar's seat to a better position.

3. As it is very desirable that these improvements should be carried out with the least possible delay, I have the honour to request that steps may be taken for provision of funds in the Public Works Department.

ENCLOSURE No. 1.—Plan.

ENCLOSURE No. 2.—Estimate.

SUBMITTED for the orders of Government.

2. It is proposed to improve the Palghaut Talook Cutcherry by removing some wooden musket-stands which encumber it, by accommodating the treasure in the main building, and by altering the position of the Tahsildar's seat. The cost will be Rupees 590.

No. 397. ORDER THEREON, 30th June 1870, No. 987.

Miscellaneous.

THE estimate submitted with these Proceedings is approved, and orders will be issued from the Public Works Department for the provision of funds.
