Proceedings of the Madras Government, Revenue Department,
12th April 1869.

No. 250. Read the following Proceedings of the Board of Revenue, dated 1st April 1869 :—

Read the following letter from the Commissioner of the Neilgherries, to the Acting Secretary to the Board of Revenue, dated Ootacamund, 28th March 1869, No. 34.

COLONEL W. Farewell has made me a small pond, with wire sluices, for fish experiments, and I have arranged with Mr. Garstin, the Private Secretary, to send me some Gourami from the Government House Ponds.

2. We have Rupees 56-12-0 in hand from a former sum sanctioned for a fish experiment, and I now beg to apply for a further sum of 200 Rupees to be spent on an attempt to introduce the Gourami from Madras, and some other fish from the Bhowany.

3. I have often been looking for signs of the fish Dr. Day put into the Ootacamund lake; but the size of the lake and the acres of weeds in it entirely prevent our watching the progress of the experiment. As this is the most favorable season for an experiment, I hope for an early sanction from the Board.

SUBMITTED to Government with a recommendation that the amount may be sanctioned.

2. It can be met from the provision of Rupees 3,000 in the Budget under "Land Revenue, Miscellaneous".

No. 251. ORDER THEREON, 12th April 1869, No. 991.

Miscellaneous. SANCTIONED.
