Break in Sampat Row's Service.—Order permitting to count as service for pension the period between the date of giving up the appointment of Head Clerk in South Arcot Sub-Collector's Office and the date of his appointment as Sub-division Sheristadar, recorded.

Proceedings of the Madras Government, Pension Department, 31st March 1869.

Read the following Proceedings of the Board of Revenue, dated 8th February 1869, No. 850.

Read the following letter from the Acting Collector of Tinnevelly, to the Acting Secretary to the Board of Revenue; dated Courtallum, 15th January 1869, No. 26.

With reference to paragraph 2 of Board's Proceedings, No. 8889, dated 18th ultimo, I have the honor to submit, herewith, a proposal that the time which elapsed between the date when Sampat Row gave up his permanent appointment as Head Clerk in the Sub-Collector's Office at South Arcot, and the date of his appointment as Sub-division Sheristadar in this district, should count as pension service.

From the Sub-Collector, to the Acting Collector of Tinnevelly; dated Palamcottah, 5th January 1869, No. 2.

With reference to your docket, No. 2989, of the 29th ultimo, giving cover to the Board's Proceedings, No. 8889, of the 18th idem, I have the honor to request that the time which elapsed between the date* when Sampat Row gave up his permanent appointment as Head Clerk in the Sub-Collector's Office of South Arcot, and the date† of his appointment to a permanent post in this district, may be allowed to count as pension service, under the following circumstances:—

* 31st August 1868

† 20th November 1868.

2. In advertising for a Sheristadar I inadvertently omitted to specify that the appointment was not permanently vacated, because I imagined there was not the least probability of the permanent incumbent reverting to it. Consequently Sampat Row, then Head Clerk in the Sub-Collector's Office of South Arcot, gave up his permanent appointment there, on being appointed to the Sub-division Sheristadarship here. He is clearly entitled to count the intermediate time as service; for it was in no way through *his* fault that the apparent break in his servive has occurred.

It appears that when the Sub-division Sheristadar of Tinnevelly was appointed to act as Deputy Collector, the Sub-Collector, thinking there was no probability of his return [illegible] filled for [illegible] cessor as if the post was permanently vacant. Sampat Row, believing this to be the case, resigned his post as Head Clerk in the Sub-Collector's Office in South Arcot on the 31st August 1868, having previously been appointed Sheristadar, or rather Acting Sheristadar of the Tinnevelly Sub-division. He thus, through no fault of his own, fell into the position of a substitute without any permanent appointment. It was not till the 20th of November 1868 he was again nominated to a permanent post.

2. The Collector and Sub-Collector now propose that Sampat Row shall be allowed to count the interval between the 31st August and the 20th November 1868 as service for pension, and the Board resolve to submit their letters for the favorable consideration of Government.
