Proceedings of the Madras Government, Revenue Department,
15th January 1867.

Read the following papers:—

No. 279. From J. BROUGHTON, Esq., Chemist to Government Chinchona Plantations, Madras Presidency, to the Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 14th January 1867.

I would respectfully request to be furnished with draft for 1,666 Rupees 10 Annas 8 Pice, being amount due for two months' service to Government, and ending January 11th 1867.

Referred to the Examiner of Claims for *early* report.

(Signed) J. D. SIM,
Secretary to Government.

No. 280. Official Memorandum from the Examiner of Claims, to the Secretary to Government, Revenue Department, dated Fort Saint George, 15th January 1867, No. 42.

The undersigned has the honor to report that, as the Secretary of State's Despatch announcing Mr. Broughton's appointment is silent as to the date from which that gentleman is to draw salary, and as there does not appear to be any Covenant between the Secretary of State and Mr. Broughton, it is impossible to determine the date from which Mr. Broughton's service and salary should commence. At the same time it appears to the Examiner of Claims that the *earliest* date from which Mr. Broughton can claim pay is the 20th of November last, the date of the departure from England of the steamer by which the Secretary of State reported in paragraph 4 that Mr. Broughton was to leave. It is observed, however, that Mr. Broughton did not arrive here till the 9th instant, or by the mail which left England upon the 4th December 1866. Any way, however, Mr. Broughton cannot be allowed pay for any portion of January 1867, until the expiry of the current month, except as an advance under the special orders of Government.

No. 281. ORDER THEREON, 15th January 1867, No. 135.

Miscellaneous.

Communicated to Mr. Broughton for his information.
