 Proceedings of the Board of Revenue
 dated 25th February 1867.

Read the following

To
 The Secretary to the
 Board of Revenue

Sir,

I have the honor to request that you would be so good as to inform me what steps it is necessary to take in order to obtain leave to go up to Madras preparatory to appearing before a Medical Board there with a view to obtaining sick leave to proceed to Europe. The Civil Surgeon of Calicut has forwarded a certificate to the Head of the Medical Department and as I have received no regulations on the subject I should feel obliged if you would forward my application for leave if in due form, or, if not, furnish me with particulars as to the forms to be adopted. It is desirable that I should leave India as early as possible next month, and should therefore be glad if preparatory leave could be granted me for the purpose above specified as soon as possible.

I have the honor

Signed G. H. Chamberlain
 Secretary

Calicut
 20th February 1867

The Board observe that Mr Chamberlain's application for leave should have been forwarded through the Collector with the Medical Certificate of the Zillah Surgeon countersigned by the Chief Medical authority for the Division. as the case, however, appears to be emergent, his application for preparatory leave will be forwarded to Government through the Examiner of Claims with the Board's recommendations that three weeks leave be granted.
