No. 622. Read the following Proceedings of the Board of Revenue, dated 24th March 1869, No. 2,013.

Read the following letters:—

From the Acting Collector of Cuddapah, to the Acting Secretary to the Board of Revenue, dated 3rd March 1869, No. 18.

With reference to Board's Proceedings of the 21st September 1868, No. 6,722, I have the honor to forward a statement, in the prescribed form, exhibiting charges of every description incurred on the various works in the district, consequent on the famine of 1868.

2. I take this opportunity to state that I have excluded from the statement in question the charges incurred from funds* placed at the disposal of the late Acting Collector, Mr. Molony, by the Famine Relief Committee at Madras, to whom a bill for the full amount has already been transmitted at their request.

* Rupees 5,000.

3. In the margin are specified the amount of famine grants sanctioned for this district, with the dates of the Orders sanctioning them, as required in the Board's official memorandum, No. 1,062, of the 7th October 1868.

4. I regret extremely the delay in furnishing this statement; but many of the papers connected therewith were with the late Acting Collector's private effects, and did not reach my hands till some time after I joined the district; and no system having been followed, so much confusion had arisen that it has necessarily been a work of time and much difficulty to unravel it.

Enclosure No. 1.—Statement.

From the same Officer, dated 8th March 1869, No. 22.

Adverting to the Board's official memorandum, No. 209, dated the 6th instant, I have the honor to report that by "Imperial Funds" the special grants for relief works are intended; also that upon the three roads in question, for which special Imperial grants were made, there was actually no expenditure from Local Funds.

Resolved that the foregoing papers be submitted to Government, with reference to their Proceedings, dated 12th September 1868, No. 2,372.

2. The expenditure in Cuddapah, from Special Funds, amounted to Rupees 51,175-5-10 on communications, tanks, wells, etc., as particularised in the following abstract:—

| | Rs. | A. | P. |
|---|---|---|---|
| Roads ... ... ... ... ... ... ... ... | 31,465 | 12 | 1 |
| Tanks ... ... ... ... ... ... ... ... | 5,206 | 9 | 8 |
| Wells ... ... ... ... ... ... ... ... | 8,034 | 3 | 0 |
| Relief Houses ... ... ... ... ... ... | 2,371 | 15 | 5 |
| Miscellaneous ... ... ... ... ... ... | 4,096 | 13 | 8 |
| Total ... | 51,175 | 5 | 10 |

3. The outlay on roads was limited to those noted in the margin. On the first of these, the expenditure amounted to Rupees 5,399, and yet the metalling of bridges and tunnels have to be completed. The Collector estimates that a sum of Rupees 70,000 would be required to complete the line. The second and third roads are still incomplete, and a further sum of 70,000 Rupees is stated to be required for their completion also.

1. Road from Kadry to Royachoty.
2. Do. from Royachoty or Poolicuntah to Balasamoodrum.
3. Do. from Kadry to Poolivendla.

4. The item "Miscellaneous Expenditure" comprises the salaries and allowances of the Deputy Collector employed on special duty, his establishment, and other petty charges.

5. The Board request that sanction of Government may be accorded for the expenditure already incurred, amounting to Rupees 51,175-5-10, and for the grant of a further sum of Rupees 27,000 to admit of discontinuing the works without loss.

---

No. 623.

ORDER THEREON, 29th April 1869, No. 1,167.

Miscellaneous.

THE sum of Rupees 51,175-5-10, being the outlay up to the 31st December 1868, in the Cuddapah District, for the relief of the distress caused by the late unfavorable season, is accordingly sanctioned.
