Proceedings of the Madras Government, Revenue Department,
30th April 1869.

No. 640. Read the following Proceedings of the Board of Revenue, dated 14th April 1869:—

Read the following letter from the Superintendent of Revenue Survey, to the Acting Secretary to the Board of Revenue, dated Camp at Nagaracuttacam, 2nd April 1869, No. 676-22.

I HAD hoped to have received definite orders regarding the advances required for demarcation on account of ryots; and although so far back as December last the Officer in charge of Ganjam Demarcation urged the necessity of providing him with fresh funds, by obtaining the sanction of Government to drawing the remainder of the estimated sum required in Berhampore, I delayed making the application till I had myself visited the Ganjam District.

* Rupees 30,000.

2. As the Rupees 30,000, sanctioned as an advance, have already been expended on the purchase of stones, and a considerable sum is also due to contractors for stone supplied and in process of preparation, I have the honor to suggest that the Board should recommend to Government either the adoption of the arrangement proposed by me of drawing from the district treasury the amount of bills for demarcation handed over to the Collector, or of any other plan that will provide funds urgently required for the supply of demarcation stones.

3. I trust very shortly to furnish the Board with the information called for regarding the average cost of demarcation in irrigated and unirrigated land.

FORWARDED to Government with reference to their Order of 24th November 1868, No. 2,935.

2. The Board request that the Accountant-General may be instructed to arrange for the advance of a further sum of 30,000 Rupees for demarcation expenses in Berhampore Talook.

No. 641. ORDER THEREON, 30th April 1869, No. 1,176.
