2. The following is an Abstract of the three Statements :—

3. From the above it appears that in exchange for acres 67·90, assessed at Rupees 99-9-8, taken up for the Canal and Irrigation Company's purposes, it is proposed to grant acres 105·36, assessed at Rupees 100-8-10, the difference in assessment being levied as additional quit-rent.

4. The Collector is informed that it is not necessary to submit separate Statements for each month ; a single Return may contain the transactions of several months.

No. 36. ORDER THEREON, 3rd May 1869, No. 1,204.

Miscellaneous.

SANCTIONED. The Government observe that the extent of land taken up is 67 acres and 86 cents., and not 67 acres and 90 cents. The difference of 4 cents. occurs in the Collector's Statement for December 1868. In the first case in that Statement, the portion lost to the Inamdar is erroneously stated to be 2 acres and 6 cents. out of an entire Inam of 2 acres and 2 cents.
