MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers :—

From the Adjutant General... ... ... Here enter 1st May 1867, No. 3/33.
Proceedings of Government, Revenue Dept. ... „ 2nd May „ „ 995.

From the Adjutant General, Head Quarters, Ootacamund, 1st May 1867, No. 3/33.;
to the Secretary to Government, Military Department, Fort Saint George.

I have the honor, by order of His Excellency the Commander-in-Chief, to bring to the notice of Government, that an inspection report on the A Battery, 23rd Brigade, Royal Artillery, has just been received, in which the Inspector Royal Artillery reports on the want of officers in that Battery, as quoted in the margin, and I am directed to request that the services of Lieutenant C. C. Saxton may be re-placed at His Excellency's disposal for employment with his Battery.

" But it is only due to this Officer," Captain Blair, Commanding the Battery, " that " I should remark upon the want of officers " in this Battery for several months past, " and Captain Blair himself for several " weeks has been on Court Martial duty, " under these circumstances, it is almost " impossible to expect a Battery to be main- " tained in an efficient state. Captain " Blair has labored under many disad- " vantages."

2. The A Battery, 23rd Brigade, is an Armstrong one, and its being left inefficient as it is from want of officers is most objectionable, and the present paucity of officers, with almost every Battery in this Presidency makes it impossible to re-place withdrawals, made as in the case of Lieutenant Saxton without impairing the efficiency of other Batteries.

3. Lieutenant Lawrell of the A/23rd Battery, is on sick leave at Wellington, and Lieutenant Twynam third Subaltern is sick in quarters, from an injury which is likely to prevent his being fit for duty for months.

4. Lieutenant Huddart of No. 7/23rd Garrison Battery has been ordered to Bangalore to aid Captain Blair in carrying on the duties of the A/23rd Battery, and it will be necessary to retain him with that Battery, till two Subalterns are available with it for duty.

5. Had not a Subaltern (Lieutenant Mainguy,) arrived by one of the last steamers, Lieutenant Huddart's withdrawal from No. 7/23rd Battery could not have taken place, as that Battery would have been left with only one Subaltern.
