1. RESOLUTION.—Owing to the return of Dr. Brandis to India, Sugeon-Major Cleghorn, Officiating Inspector General of Forests, returns to Madras to resume his appointment of Conservator of Forests in that Presidency.

2. As early as September 1861, the Government of India selected Dr. Cleghorn to assist in laying the foundation of systematic Forest administration in Northern India, by examining the forest resources of the Punjab and the North-West Himalaya, and reporting on the measures necessary for their right management.

3. On this work Dr. Cleghorn was engaged during 1862 and 1863. His services in the Punjab received high commendation from the Lieutenant-Governor, and the Governor General in Council expressed his concurrence in the high estimation entertained by the Punjab Government of his services.

4. During 1864 and part of 1865, he was associated with Dr. Brandis to assist the Government of India and local Governments in the first organization and further development of a methodical system of forest management.

5. In January 1865, the Governor General in Council expressed his sense of the great services rendered to the State by Dr. Cleghorn in the cause of Forest conservancy. In a public resolution he was designated as the Founder of Forest Conservancy in India.

6. In April 1866, Dr. Cleghorn was appointed to officiate as Inspector General of Forests to the Government of India, and the time having now arrived when his connexion with the Government of India will cease for the present, the Governor General in Council desires to express to Dr. Cleghorn his satisfaction with the services rendered by him.

7. The Governor General in Council desires to convey to Dr. Cleghorn the thanks of the Government of India for his long and successful labours in the cause of Forest conservancy in this country.
