Proceedings of the Madras Government, Revenue Department,
9th May 1867

No. 159. Read the following Proceedings of the Board of Revenue, dated 26th April 1867, No. 2,573.

Read the following letter from the Sub-Collector in charge of Nellore, to the Secretary to the Board of Revenue, dated 1st April 1867, No. 83:—

1. With reference to the Board's Proceedings, dated 23rd June 1866, No. 4,291, I have the honour to report that the old Cutcherry at Gudur, therein referred to, was built by Government about fifty years ago, and abandoned in 1849 when the present Cutcherry was constructed.

2. The building was many years afterwards occupied by the new Police as a Station-house, but vacated by them after two years on account of its state of disrepair. The tiles have lately been removed from the roof for their better preservation, and the building is now wholly unfit for occupation.

3. I have, therefore, the honour to request the sanction of the Board for the sale of the materials, the value of which is estimated at Rupees 39.

---

1. In his letter, dated 31st May 1866, No. 163, Mr. Dykes requested sanction to transfer the above building for the use of Trustees of the School at Gudur established under the Madras Education Act.

2. In their Proceedings, recorded in Government Order dated 4th July 1866, No. 1,265, the Board having objected to treat this School in an exceptionally favourable manner, the Sub-Collector in charge now reports that the building is wholly unfit for occupation, and recommends that the materials thereof be sold. It appears that the site of this building will be eventually required for the construction of a new Police Station.

3. Under these circumstances, the Board resolve to request the sanction of Government for the sale of the materials as recommended by Mr. St. Clair.

No. 160. ORDER THEREON, 9th May 1867, No. 1061.

Miscellaneous.

Sanctioned.
