No. 217. Read the following letter from the Superintending Engineer, 4th Division, to the Secretary to Government, Public Works Department, dated Madras, 4th May 1867, No. 563 :—

1. I have the honour to lay before Government, for their sanction, a plan and an estimate, amounting to Rs. 6,300, for constructing a bridge and three tunnels across the Kaveripak surplus channel and neighbouring watercourses, on the road from Kaveripak to Sholinghur Railway Station, in the North Arcot District.

1 Plan.
1 Estimate.

2. The road in question is a Railway feeder, and connects Kaveripak and some other of the richest villages of the Wallajah talook with the Railway. At the point of junction of the channel with the road the former is very steep, and during the time the tank surpluses, a rapid and deep stream is formed, which puts an entire stop to all traffic.

3. The estimate was called for by the Collector of North Arcot, and is countersigned by that officer in token of approval.

4. The work being greatly needed, I recommend it for sanction, and solicit that a grant be made from the "Reserve" "Communication" to admit of the work being executed this year.

Referred to the Revenue Department. The road on which the bridge is proposed to be constructed being a Railway feeder, the cost of the latter is chargeable to Local Funds.

7th May 1867.

(Signed) CHARLES A. ORR, Colonel, R. E.,
Secretary to Government.
