Proceedings of the Madras Government, Revenue Department, 16th May 1867.

No. 249. Read the following Proceedings of the Board of Revenue, dated 2nd May 1867, No. 2,699.

Read the following letter from the Acting Collector of Trichinopoly, to the Secretary to the Board of Revenue, dated 30th March 1867, No. 81:—

1. On the receipt of the Board's Proceedings, No. 749, dated 6th ultimo, communicating the sanction of Government for the entertainment of a temporary establishment for indexing the old records of this Collectorate, my predecessor seems to have had considerable difficulty in selecting efficient persons for the work. He appointed two men on the 25th, and another on the 26th ultimo. These three individuals have, under the immediate superintendence of Mr. LeFanu, indexed the correspondence with Government from 1836 to 1856, and with Collectors and other Miscellaneous authorities from 1812 to 1830.

2. The correspondence of the subsequent period is comparatively still more voluminous. This remains to be abstracted and indexed up to 1860. I have considered the subject fully, and arrived at the conclusion that this work would require for its completion the present staff for four months.

3. I have, therefore, the honour to submit the accompanying Statement, and to solicit sanction for the retention of this establishment, up to the end of July next, at an aggregate cost of Rupees 300, which can be met from the provision made in the ensuing year's Budget on account of temporary establishments.

4. The necessity for a temporary establishment for this purpose has already been fully discussed and acquiesced in both by the Board and Government. Should I dispense with the present staff at the end of this month, I fear I should, like my predecessor, meet with some difficulty in re-organizing it after the receipt of the orders herein sought for. Under these circumstances I have deemed it expedient to keep this establishment on, in anticipation of sanction, and I trust that this course will meet with the Board's approval.

Tabular Statement shewing the present and proposed Establishments in the Trichinopoly Collectorate.

Proceedings of the Madras Government, Revenue Department,
16th May 1857.

1. Submitted to Government for sanction. In an Order, dated 2nd February 1867, No. 297, Government sanctioned the employment of four extra Gumastahs, at Rupees 25 each per mensem, for two months, or an expenditure of 200 Rupees. Three of these Gumastahs have been entertained. They indexed, up to the 31st ultimo, the correspondence with Government for the years 1836 to 1856, and the correspondence with other departments for the period intervening between 1812 and 1830.

2. The correspondence has become much more voluminous of late years, and will require more time and leisure to index than the older correspondence. The Acting Collector, therefore, requires further assistance, and he requests that he may be permitted to continue in employment until the end of July next, at a cost of 300 Rupees, the three Gumastahs already entertained.

3. The Acting Collector has not stated the expenditure already incurred, which, however, the Board apprehend to be about Rupees 80. He should not, in making his application, have omitted this detail.

No. 250. ORDER THEREON, 16th May 1867, No. 1,107.

Miscellaneous.

The retention of the temporary establishment in question to the 31st July 1867 is sanctioned. The Government assume that all useless records are carefully excluded from the correspondence which is being indexed.
