No. 307. Read the following letter from the Superintending Engineer, 7th Division, to the Secretary to Government, Department Public Works, dated Camp, Neddiwuttum, 24th April 1867, No. 19:—

I have the honour to submit, for the formal sanction of Government, an estimate of Rupees 380, for carrying out certain alterations and improvements to the pub-lic building at Mangalore, which accommodates the Range Officer and his Overseer, the Assistant Collector, and the Municipal Commissioners, above a range of store-rooms chiefly occupied by the Public Works Department. They were planned, at the request of the Collector, on my visit to Mangalore in March last, and I authorized Lieutenant Thompson to carry them out in anticipation of sanction; the objects being at once to facilitate public access to the offices of the Municipal Commissioners and of the Assistant Collector, and at the same time to shut off the Public Works yard and stores from all but those employed in them. On their attainment a sum of Rupees 337 has been expended in the past official year, leaving Rupees 43 to be debited to this, under the head of "Minor New Works," "Civil Buildings."
