1116

Proceedings of the Madras Government, Revenue Department, 17*th May* 1867.

No. 267. Read the following Proceedings of the Board of Revenue, dated 9th May 1867.

Read the following :—

Report on the state of the season in the District of Cuddapah during the second fortnight in April 1867.

1. Some rain fell in the Badvel and Sidhout talooks.
2. The standing crops were in fair condition with few exceptions.
3. Some paddy, jonna, and sugar-cane had been cut in a few talooks.
4. There were no material fluctuations in the prices of grain.
5. Cattle were suffering from disease in several localities.
6. The sanitary condition of the district was about average. Cholera existed in a few localities, and fever was prevalent in three talooks.

(Signed) T. G. WARD,
Deputy Collector.

CUDDAPAH,
6th May 1867.

Submitted for the information of Government. The Board request permission to discontinue these fortnightly reports.
