Dated 18—5— 1867.

Not to be folded or roughly handled

Read the following papers :—

No. 294. From the Superintendent of Revenue Survey, to the Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 30th April 1867, No. 770-25.

1. On the 22nd ultimo I received through Major Barber, Deputy Superintendent Revenue Survey, a letter to your address, which I now do myself the honour to enclose.

2. In explanation of the delay that has taken place in transmitting it to you, I beg to append a Memorandum relating to the manner in which Mr. Addis has acted, notwithstanding the warning given him in a former order of Government.

3. As Mr. Addis has thought proper to re-open the subject, I am compelled most unwillingly to forward a mass of correspondence relating to him, and to point out the positive hindrance to work, and the incessant petty annoyance resulting from the line of conduct he has adopted of cavilling at all communications he receives, and endeavouring to evade obeying the orders contained in them.

4. It will be observed that I have informed him that he will be moved to another district, and employed in the Survey branch of the department, and that therefore he should pass an examination at the Civil Engineering College. As Mr. Addis originally offered his services to me as a Surveyor, I imagine he can have no difficulty in passing the required examination.

5. Mr. Addis claims a service of ten years, but in the annual list of establishment for 1867 his total service is put down as six years.

No. 295. From the same Officer, dated Chepauk, 9th May 1867, No. 850-28.

1. I have the honour to submit an original letter to my address, and enclosures addressed to you as Secretary to Government, from Mr. Addis, Second Assistant Superintendent, Revenue Survey.

2. In the former he tenders his resignation, and gives his reasons for doing so; the enclosures are devoted to replying to the report made in compliance with the Order of Government by Major Hessey, late Acting Superintendent, Revenue Survey.

3. I purpose furnishing Majors Hessey and Barber and Lieutenant Cloete with copies of these communications, to enable them to meet any call for information or explanation Government may think fit to make.

4. I cannot accuse myself of any harsh or oppressive conduct towards Mr. Addis. That I did not consider him deserving of any indulgence, and therefore did not grant any is true; but with regard to the leave referred to by him, I am still of opinion that when a subordinate officer resolutely and contumaciously declines to conform to what I believe to be the rule and custom of every department, and will not even go through the usual form of applying for that leave, it cannot be expected that an exception will be made in his favour and for his convenience by the very persons he is defying and treating with disrespect.

* Five.

2. He also sends true copy of his Memorandum on the subject to the Superintendent Revenue Survey, No. 366, dated 30th April 1867, for the information of Government.

No. 297. ORDER THEREON, 18th May 1867, No. 1,129.

1. The Government see no necessity for calling on Majors Hossey and Barber or Lieutenant Cloete for any explanation in regard to Mr. Addis' letter.

2. Colonel Priestley will intimate to Mr. Addis that his resignation of his appointment from 6th instant is accepted.

3. Mr. Addis will be grauted privilege leave from 18th February to 3rd March, and sick leave from 19th March to 6th May, under the Rules quoted by the Examiner of Claims in his Endorsements dated 29th April 1867.

Sir,

I have the honor to bring to your notice that since my return to duty I have had an aggravated return of illness, which has compelled me to again seek Medical advice. I met on Monday last, the Dy Insp Genl of Hospitals who has recommended a course of treatment, and I now enclose a Medical Certificate of the prescribed form, for two months leave.

As the presentation of a Medical Certificate is no bar to the grant of any Privilege leave if due, (vide margin) I have the honor to request that I may be allowed two Months Privilege leave of absence from Tuesday next the 19th instant when I shall be entitled to the same.

I have the honor to be

Mr A. B. Addis was on the 18th Febry placed on my sick list, very ill with bowel complaint, connected with disease of the straight gut. Under treatment, he sufficiently recovered to resume duty on the 3rd March, but became again so ill on the 19th March, with ulceration of the affected bowel, as to require the most active treatment, including the local application on three different occasions of lunar Caustic. In conformity with a requisition made by Mr Addis, under the direction of the Examiner of Claims, I furnish him with the accompanying certificate, to cover retrospectively the fortnights absence from duty between the 18th February and 3rd March inclusive, and I do so with a slight alteration of the terms of the certificate, which, as it stands, does not seem to me applicable to the case of Mr Addis, as he was under medical treatment in the station nearest his camp, and it would have been premature at that date to have decided whether leave for change of air was essentially necessary to his recovery).

OFFICIAL MEMO.

Your docket No. 741/15 and letter No. 746/27 of the 26 instant.

When returning Mr. Addis's Medical Certificates and Papers, the undersigned has the honor to state that on further consideration of the case he finds that Mr. Addis may be allowed Privilege Leave by Government for the first period of absence should the Superintendent recommend the same as on 18th February he was eligible to one month's leave of that description - The report is framed accordingly - For the second period, as 2 months Leave is asked for, there is no alternative but to state that, sick Leave can be granted as the extent of Leave solicited is greater than the balance of Privilege Leave remaining at Credit of the Officer concerned - Had 2 months still been due to him he would have been reported eligible to the same under the same rules as applied to the former leave -

Mr. Addis's Original docket referred to by the Superintendent did not accompany the Papers.
