No. 338. Read the following letter from the Acting Superintending Engineer, 1st Division, to the Secretary to Government, Department Public Works, dated Camp, Cocanada, 29th April 1867, No. 28 :—

	RS.
* Coringa to Neelapilly	400
Cocanada to Coringa	400
Total	800

In the current year's Local Fund Budget a sum* of Rupees 800 is provided for the maintenance of the road from Cocanada to Neelapilly, I have therefore the honour to report that the Imperial grant of Rupees 640 for the same road is no longer necessary, and request that this sum may be transferred to repair allotment for "Tools† and Stores," under which head funds to the extent of at least Rupees 10,000 will be required in this year.

† Godavery.

No. 339. ORDER THEREON, 14th May 1867, No. 1,459.

ACCOUNT, No. 28.

1. Under the circumstances explained, the provision of Rupees 640 for the maintenance of the road from Cocanada to Neelapilly will be omitted from future Imperial Public Works Budgets.

2. The Government are unwilling at this early part of the year to request the sanction of the Government of India to transfers of funds from one main head of service to another, but they grant authority to the Superintending Engineer of the 1st Division to incur such expenditure as may be necessary under the head "Tools and Plant," provided that the excess over allotment is adjusted in his final "Statements of Savings and Demands," and that the outlay in each case is duly sanctioned by competent authority.
