No. 228. Read the following letter from the Superintendent Government Chinchona Plantations, to the Secretary to Government, Revenue Department, Fort Saint George, dated Ootacamund, 8th January 1867, No. 3:—

1. With reference to the Order of Government of the 14th December 1866, No. 3,382, paragraph 3, I have the honor to inform you that suitable accommodation can be provided for Mr. Broughton on the Chinchona Plantations at Neddivuttum, at a cost of about 2,500 Rupees. The bungalow attached to the Assistant Superintendent's house would form a comfortable residence, while the two rooms for a laboratory, with the necessary supply of water, could be erected at a short distance from the bungalow. The principal supply of material on which Mr. Broughton would be engaged, would thus be immediately at his command.

2. Should this plan meet the approval of Government, I will prepare the accommodation at once, and until this is finished Mr. Broughton's head-quarters might be at Ootacamund.

No. 229. ORDER THEREON, 14th January 1867, No. 115.

Miscellaneous.

1. Ordered to be communicated to Mr. Broughton, who will proceed to Ootacamund as soon as he can, and favor Government with his opinion as to the best place for his head-quarters, after discussing the subject fully with Mr. McIvor and visiting Neddivuttum. While in Madras, Mr. Broughton should wait on the Principal Inspector General, Medical Department, Mr. Shaw, who will communicate to him the results of the recent experiments with Chinchonidine, &c.

2. Mr. Broughton will in due course furnish a statement of the establishment he will require, and will indent on the Medical Stores for such articles as he may need for his analysis. He will be furnished from time to time with copies of all correspondence connected with the Chinchona experiment.
