GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—again G.O., Mis. No. 4023, Revenue, dated 7th October 1896.

ABSTRACT.—Requesting the Board of Revenue to furnish further information with reference to the Parsee Church and passing orders on Board's proposals in regard to lands held on 99 years' leases or other forms of terminable tenure in the district of Malabar and stating that the clause relating to redemption of quit-rent will be omitted from the permanent pattas to be issued in future.

READ—also the following Proceedings of the Board of Revenue (Land Revenue), Mis. No. 456, dated 4th February 1897:—

Read—again Board's Proceedings, No. 4803-A, dated 23rd October 1896.

ABSTRACT.—Communicating to the Collector of Malabar Government Order passing orders on Board's proposals in regard to lands held on 99 years' leases or other forms of terminable tenure in the district, and stating that the clause relating to redemption of quit-rent should be omitted from the permanent pattas to be granted to the holders of leasehold property.

Read—also endorsement of the Collector of Malabar, Ref. on C. No. 2617-A—R. of 1896, dated Kondotti, 9th January 1897, on the following letter from H. O. D. HARDING, Esq., Acting Sub-Collector, to the Collector of Malabar, dated Tellicherry, 23rd December 1896:—

Referring to your letter, No. 2617-R., dated 31st October 1896, I have the honour to furnish the information on the several points referred to by Government.

2. (1) A Parsee church is a building used for the purpose of worship, religious ceremonies, &c., by the Parsee community and its priest.
- (2) The size of the church alone is $36 \times 15\frac{1}{2}$ feet.
- (3) At present about thirty members of the community both young and old use the church for worship.
- (4) The whole extent of the land is needed for the church and its adjuncts as will be seen from the plan of the site enclosed.
- (5) It does not seem advisable to assess the remaining portion of the land as the produce thereon goes towards the support and upkeep of the charitable institutions of the community. For the same reason the property appears to have been exempted from municipal tax.

3. The property should, I think, be exempted from assessment under the circumstances. The lease received with your letter is returned.

Endorsement.

True copy with the plan in original submitted to the Secretary to the Commissioners of Land Revenue with reference to Board's Proceedings, Mis. No. 4803-A, dated 23rd October 1896. The land may be exempted from assessment.

Resolution—Mis. No. 456, dated 4th February 1897.

Submitted to Government with reference to its order No. 4023, Revenue, dated 7th October 1896.

2. The Collector recommends that the site occupied by the Parsee church, burial ground, parsonage and native huts, together with the adjoining lands, the produce of which is devoted to the upkeep of charitable institutions belonging to the Parsee community, may be exempted from assessment. The whole extent measures 8.34 acres. Under existing orders, only the site of the church and its compound, inclusive of the burial ground, measuring east to west 480 feet and north to south 195 feet (marked A in the plan forwarded by the Collector covering 1.66 acres according to the plan) is entitled to exemption from assessment, so long as it is used for the purposes specified. In view of the difficulty of establishing the title of Government and of the fact that neither quit-rent nor municipal tax has been levied in respect of the whole land covered by the grant in question, the Board begs leave to repeat the recommendation made in paragraph 3 of Board's Proceedings, No. 3987, dated 19th August 1896, viz., that the entire extent of 8.34 acres may be exempted from assessment.
