*Proceedings of the Madras Government, Revenue Department,
11th June 1867.*

No. 166. Read the following Despatch from the Right Honourable the Secretary of State for India, (Public), to His Excellency the Right Honourable the Governor in Council, Fort Saint George, dated India Office, London, 8th May 1867, No. 20 :—

1. I have had under consideration in Council your Despatch, in the Revenue Department, dated February 12th (No. 7), 1867, bringing to my notice a letter from the Superintendent of Chinchona Plantations, and the Order which has been passed upon it by your Government.]

2. I concur in the propriety of the censure which you have passed upon Mr. McIvor for the unbecoming and insubordinate style in which the letter in question is written.

3. The papers forwarded with your Despatch refer to the position of Assistants employed by Mr. McIvor on the Chinchona plantations; and I perceive that you have now decided that the Superintendent is to nominate them on probation for a period not exceeding twelve months, after which time they are to be confirmed on his recommendation, and the sanction of your Government will be necessary for their removal at any future period.

4. It should be understood that the power of selecting his subordinates, of dismissing them during the probationary year and of suspension at any subsequent time, is entrusted to the Superintendent; and that the reservation of the power of dismissal, until confirmed by Government, is not intended to curtail the Superintendent's authority, but merely to protect his subordinates from what might often be its arbitrary exercise.

5. Under this arrangement I trust that Mr. McIvor will, by strictly conforming to these instructions, continue to deserve the expressions of approval which his zeal, energy, and intelligence have frequently called forth, both from my predecessors and from your Excellency's Government.

No. 167. ORDER THEREON, 11th June 1867, No. 1,318.

Miscellaneous.

Ordered to be communicated to the Officiating Superintendent of the Chinchona Plantations for his information.
