*Proceedings of the Madras Government, Revenue Department,
17th June 1867.*

Read the following letters:—

No. 228. From the Collector of North Arcot, to the Chief Secretary to Government, Fort Saint George, dated Chittoor, 5th June 1867, No. 36:—

1. I have the honour, in continuation of my letters of the 9th January, 14th March, and 1st April last, Nos. 3, 16, and

25 respectively, to submit herewith six estimates for the famine relief works noted in the margin, and to request that Government will be pleased to accord their formal sanction to them.

2. I take this opportunity to request that Government will, in consideration of the large number of these famine works, and the great additional labour entailed on my Office in connection

with them, be pleased to dispense with regular estimates for all items costing less than Rupees 500, and accept in lieu the bills and other vouchers of expenditure which may be submitted for sanction. Government have already allowed this exemption in the case of works of the kind under Rupees 250, and my request now is that this limit be somewhat extended, in order that the final adjustment of these accounts may be expedited. The mere absence of estimates for works of this nature, which have been completed months ago, and are fully supported by detailed bills of expenditure, does not affect the *bonâ fide* character of the transaction.

No. 229. From the Collector of North Arcot, to the Chief Secretary to Government, Fort Saint George, dated Chittoor, 6th June 1867, No. 37.

In continuation of my letter of the 5th instant, No. 36, I have the honour to submit herewith five estimates for the famine relief works noted in the margin,* and to request that Government will be pleased to accord their formal sanction to them at an early date.
