*Proceedings of the Madras Government, Revenue Department,
21st June 1867.*

No. 280. Read the following Proceedings of the Board of Revenue, dated 11th June 1867, No. 3,575.

Read the following letter from the Collector of the Kistna District, to the Secretary to the Board of Revenue, dated Masulipatam, 16th March 1867, No. 71 :—

1. With reference to paragraph 2 of the Board's Proceedings of 22nd November last, No. 8,427, I have the honour to report that, of the four discontinued public bungalows noted in the

- * 1. Weyoor.
- 2. Dachapalli.
- * 3. Nagarikallu.
- 4. Vinnukonda.
- * Enclosure A.

margin, Nos. 1 and 3 are required by the Public Works Department; the former as a depôt for stores on the high road leading from Masulipatam to Hy-

derabad; and the latter as a Range Office. It is also probable that the Nakerkul Bungalow may be required as a Munsiff's Court House; No. 2 was ordered by the Board to be converted into a Talook Cutcherry, for which plans and estimates will be submitted shortly; No. 4 will also be very useful for municipal purposes at Vinnukonda, where it is in contemplation to apply for the introduction of the Act.

2. Under the above circumstances, I request that the Board will be pleased to obtain the sanction of Government to defer the sale of the four bungalows in question. It is probable that, if sold, they would realize but small sums.

3. Adverting to paragraph 4 of the Proceedings under acknowledgment, I beg to forward copy of a letter from the Superintending Engineer. Under the explanation therein given, it is requested that the sanction of Government may be obtained for the plan and estimate already forwarded for repairing and extending the bungalow at Vinnukonda now used as an Office for the Deputy Collector at that station.

From the Superintending Engineer, 2nd Division, to the Collector of the Kistna District, dated Masulipatam, 7th March 1867, No. 213.

1. With reference to paragraph 2 of the Proceedings of the Board of Revenue, No. 8,427, dated 22nd November 1866, I have the honour to inform you that the public bungalow at Nakerkul will be very useful as a Range Office, and if handed over to this department, would do away with the necessity of building a structure for that purpose.

2. The bungalow at Weyoor will also prove a great convenience as a depôt for stores on the high road leading from Masulipatam to Hyderabad. Its situation close to a large calingulah to be on the Pullairoo, at Weyoor, will make it especially so during the next two years, and I, therefore, solicit that it also may be given up to the Department of Public Works.

From the Superintending Engineer, 2nd Division, to the Collector of the Kistna District, dated Masulipatam, 8th March 1867, No. 214.

1. In reply to your letter,* No. 36, dated 6th instant, I have the honour to state that, after carefully re-considering the estimate for the

improvements to the bungalow at Vinnukonda, used as an Office by the Deputy Collector at that station, I cannot advocate any reduction of the work proposed, for which an estimate of Rs. 1,200 was forwarded.

2. I lately inspected the building personally, and can testify to its present bad condition and accommodation. You will observe that the estimate provides for raising the main walls 1½ feet,

providing new enclosed verandahs, and entirely re-roofing the building. The rates, I consider, very reasonable, and that all that has been proposed by the Range Officer is not only desirable but necessary, if the building is to be retained.

1. Resolved that the foregoing letter be submitted for the consideration and orders of Government.

2. In paragraph 2 of their Proceedings, dated 22nd November 1866, No. 8,427, the Board recommended that the four bungalows to which the Collector refers, viz., those of Weyoor, Dachapalli, Nagarikalla, and Vinnukonda, should be sold, as they were not required by any Public Department, and the Government in their Proceedings, dated 13th December 1866, No. 3,363, sanctioned the sale.

3. It now appears that the Weyoor and Nagarikalla Bungalows are required by the Department of Public Works, and the building at Dachapalli for conversion into a Talook Cutcherry, and that the bungalow at Vinnukonda is already in use as an Office for one of the Deputy Collectors in the Kistna District, and requires repairs estimated to cost 1,200 Rupees. The Board suggest that the expenditure on the latter bungalow should be sanctioned as the Collector desires. They further recommend the transfer of the Weyoor and Dachapalli Bungalows to the Department of Public Works, and of the other two buildings to the Revenue Department.

No. 281.

ORDER THEREON, 21st June 1867, No. 1,375.

Miscellaneous.

1. The Government sanction the retention of the buildings in question, and their appropriation in the manner proposed for public purposes.

2. The requisite repairs to the Vinnukonda Bungalow, to fit it for the Deputy Collector's Office, are sanctioned.

3. The necessary orders for the execution of the work will be issued in the Department Public Works.
