<i>Accounts.</i>

1. Referred to the Accountant General for any explanation he may be able to offer.

2. The Government are not aware with what materials the Government of India were dealing when they passed their Proceedings of 21st March 1867, No. 1,557A, in the Financial Department, nor on what principle the "classification" in paragraph 3 of those Proceedings was made.

3. It is probably some peculiarity in the method adopted which has led to the discrepancy, for the Government are unable to trace the items entered in the classification Statement under "Public Works."
