*Proceedings of the Madras Government, Revenue Department,
21st June 1867.*

No. 294. Read the following Proceedings of the Board of Revenue, dated 6th June 1867, No. 3,472.

Read the following letter from the Collector of Ganjam, to the Secretary to the Board of Revenue, dated Chatterpore, 25th April 1867, No. 1,178:—

In reply to Board's Proceedings of the 12th instant, No. 2,346, requesting me to consider whether the difficulty attending the commutation of ready-money allowances now paid for the support of religious institutions in this district cannot be surmounted, I have the honour to explain that the revised assessment of the district will be introduced in the course of two or three years, and in the interim it is, of course, impossible to give land, the revenue value of which is not yet definitely fixed in exchange for money.

1. Resolved that the foregoing letter be submitted to Government, with reference to Board's Proceedings, dated 12th April 1867, No. 2,346, recorded in Proceedings of Government, Revenue Department, dated 24th April, No. 922.

2. The explanation afforded by the Collector does not appear convincing to the Board. The experience of other districts scarcely justifies the expectation that Ganjam will be settled within two or three years, and the Board can see no reason why a sufficiently accurate valuation should not be arrived at now, as was done in the Inam Department.

3. They beg, therefore, to refer the question for the consideration and orders of Government.

No. 295.

ORDER THEREON, 21st June 1867, No. 1,382.

Miscellaneous.

The Government desire to be informed what method is now adopted in the Ryotwari talooks of Ganjam for assessing the Government demand on the land.
