Dated 27—6— 1867.

Not to be folded or roughly handled

Proceedings of the Madras Government, Revenue Department,
27th June 1867.

No. 379. Read the following Proceedings of the Board of Revenue, dated 4th June 1867, No. 3,418.

Read the following letter from the Acting Collector of Nellore, to the Secretary to the Board of Revenue, dated 4th May 1867, No. 128 :—

1. This district has now been for nearly three months without a Salt Deputy Collector, viz., from 12th February 1867, when Mr. Plunkett delivered over charge on proceeding to Vizagapatam. Since that time, Tolasingum Moodelliar, Deputy Collector in charge of the Nayadupett Division, has been in charge of the Salt of the district, in addition to his other regular duties.

2. He requests that, in consideration of the extra work imposed upon him, he may be permitted to draw a moiety of the salary of the Salt Deputy Collector in addition to his own salary.

3. I would respectfully urge the necessity of appointing some one without delay as Salt Deputy Collector in this district. The duties of this department cannot be efficiently discharged under the present arrangement, which has continued for three months. I find everything in a most unsatisfactory state at present I have written direct to Government, urging the strong objection that exists to Mr. Pritchard being sent to this district upon the expiration of the leave granted to him, and I have suggested the temporary appointment of Mr. Freer, who formerly acted in this post, unless the appointment is to be permanently filled up.

---

1. The Acting Collector's letter will be submitted for the consideration of Government.

2. With reference to the request made in paragraph 2, Mr. Boswell will be referred to Circular Order, No. XVI of 1866, paragraph 2, which was framed upon the orders of the Government of India.

No. 380. ORDER THEREON, 27th June 1867, No. 1,425.

Recorded, with reference to Mr. Freer's appointment to act in the Salt charge.

(True Extract.)

(Signed) J. GROSE,
Under Secretary to Government.
