*Proceedings of the Madras Government, Revenue Department,
4th July 1867.*

No. 75. Read the following letter from the Secretary to the Government of India, Public Works Department, (Revenue—Forests,) to the Secretary to the Government of Madras, dated Simla, 30th May 1867, No. 199 F:—

1. In forwarding the accompanying copy of the Tabular Statement received with your letter No. 721, dated 27th March last, with the Order of the Financial Department sanctioning the proposed increase to the Establishment for the forests on the Coimbatore slopes of the Neilgherries, I am directed to observe that the present scale of establishment, shewn in the Tabular Statement, does not agree with the scale sanctioned in Financial Department letter to the Government of Madras, No. 623, dated 3rd June 1865. The Overseer's allowances include Rupees 40 for the Australian plantations, which was sanctioned separately, though it does not appear to have been sanctioned by this department. Again, his Military pay of Rupees 24-15-5 is not included. There is also a second Overseer, whose salary is shewn to be Rupees 50, with a travelling allowance of Rupees 15, whereas a salary of Rupees 35, with travelling allowance of Rupees 15, was sanctioned. It is desirable that discrepancies such as these should be avoided in future.

2. The sanction to the present establishment has been registered as No. 5 F of 1867-68.

No. 76. ORDER THEREON, 4th July 1867, No. 1,491.

Forests, No. 2.

Ordered to be communicated to the Conservator of Forests, with reference to the Proceedings of Government dated 4th and 27th March 1867, Nos. 535 and 720. Dr. Cleghorn will explain the discrepancies alluded to in this letter.
